**Request from the University
of Minnesota Science of the Green
Initiative Research Team**

You are encouraged to participate in a brief (10-15 minutes) survey that will have significant importance in the future of how information is consumed and utilized by golf facility managers (golf professionals, general managers, club owners, superintendents, etc). information to improve the operation of golf facilities.

Your time is of great value to the success of this project, which will play a major role in improving the operation of golf facilities by improving the way the golf industry shares critical information to facility managers.

If your job position is within a golf operation (golf professionals, general managers, club owners, superintendents, etc), please start the survey by clicking the link below.

https://umn.qualtrics.com/jfe/form/SV_bJEkWnT4sBHoufH

For this survey, "content" is defined as any informational or educational material that you use in your job. Content can be in any format, including physical or electronic.

Your responses will play a critical role in the success of this study. If possible, please complete survey by Friday, November 10, 11:59 PM EST. Thank you for your time and effort as we conduct research dedicated to leading the game toward a prosperous and sustainable future.

Thank you for your help in this. Please let me know if I can answer any questions you have. As noted in the survey completion date, we are hoping for a quick turnaround here so your help is greatly appreciated!

Sincerely,
Parker Anderson
