NYSTA's 2018 Winning Fields, Winning Fairways Field Day at West Point did not Disappoint!

The West Point Golf Course and United States Military Academy hosted 100 sports turf managers and vendors at this year's Winning Fields, Winning Fairways Field Day on June 6th. It was the perfect setting filled with history at every turn.

The New York State Turfgrass Association (NYSTA) would like to thank golf course superintendent and NYSTA Treasurer Steve Whipple, Phil Koury and Mike Rubbino for helping make this event happen.

Winning Fields Chair Greg Chorvas and his committee hit a home run with this year's program including equipment and a drone demonstration by WinField United. Speakers included Dr. Jason Henderson from the University of Connecticut; Joseph Potrikus, CSFM, Greener World Landscape Maintenance, LLC; Rick Krysztof, A-Turf, Inc.; Darren Shuman, Northern Nurseries, Inc.; Ron Martin, Mar-Co Clay Products; and Alan Dungey, CSFM, Great Lakes Athletic Fields.

NYSTA would also like to thank our generous sponsors for making events like this possible.
