## BENEFITING

Non-profit invasive  
species management  
programs

## EXPERT ADVICE

Dr. Linda Rohleder  
Dir. of Land Stewardship &  
Coordinator, Lower Hudson  
Partnership for Regional  
Invasive Species  
Management

Dr. Rohleder runs programs  
which include 300 volunteers  
annually surveying for invasive  
plants, and a seasonal crew  
that conducts management  
projects for parks across the  
region.
