NYSTA Awards 2019 Citation of Merit

The New York State Turfgrass Association is proud to announce Roger Lind as this year's recipient of the Citation of Merit Award. Roger was presented with this prestigious honor at the Central Regional Conference on January 16th in appreciation for his dedication and service to both NYSTA and the turfgrass industry.

This award is presented to individuals that demonstrate dedication to turfgrass research and education, involvement in and support of the association, promoting turfgrass industry careers, community involvement, and respect of peers and colleagues.

Roger brings all of these qualities as a past member of the NYSTA Board of Directors, where he still serves on several committees. He is a supporter of higher education, where he serves on the Advisory Board for SUNY Delhi's Golf and Sports Turf Management program. Roger has and continues to assist SUNY Cobleskill, Cornell University, and SUNY Delhi by loaning them the latest turf equipment for educational purposes. He advocates and mentors young people exploring career opportunities in the turfgrass industry.

We congratulate Roger Lind for this outstanding achievement!
