## NYSTA Scholarship Information

### 1. General Requirements

- a. The candidate must be a member of the New York State Turfgrass Association. (No Fee)
- b. The candidate must be currently enrolled, and enrolled for the coming semester as a sophomore, junior, or senior, at a four-year college or university, or a second-year student at a two-year college. In either case, the candidate must be working towards a degree in turfgrass science or a closely-related curriculum (i.e. landscape design, landscape construction, landscape maintenance, agricultural engineering, soil science, pathology/horticultural science) where the applicant has taken all relevant turfgrass management courses, as demonstrated by the applicant's transcript.

Preference will be given to students attending a school within New York State, although this is not a requirement.

Applicants are required to have a Professor from their turf-related curriculum complete the enclosed NYSTA Scholarship Applicant Evaluation Form by Professor.
